(7940) A kind perusal of para 2 of the said order, copy of which has been ~~sent~~ presented with the appeal petn, shows that the request of the appellant to suspend the recovery of the reserve amount for 20 years is not deserving of consideration. What the appellant now says is that a stay order may be issued so that the Reserve amount as ordered by the Dte. may not be collected. In para (1) of the said order it is clear that the reserve amount is one fixed at the instance of the petnr himself. In these circs it may be said that there are no good grounds for issuing a stay order as requested. If approved petnr will be informed ~~that~~ that the stay order cannot be given as requested.

Muzrai Appeal No. 20 / 1933-34.

G.Ramabhatta, son of Subbabhatta,
Thirthahalli, Shimoga District. } APPELLANT.

" ********* "

Appeal against the Order of the learned Muzrai Commissioner in Mysore dated 6-3-1934 No. D, Dis. 190/ 33-34 in respect of certain - payments of reserve and contribution funds on behalf of Gopala Krishna Devaru and Sri Rameswara Swamy Temples at Gopalapura, Thirthahalli Taluk.

FACTS OF THE CASE.

The temples referred to above are Muzrai institutions having been endowed with 'Inam' lands in Heligi and Narbala villages of Thirthhalli Taluk. The appellant was recognised as "Vaivatdar" and the management vested in him. The scale of Muzrai reserve was sanctioned in the year 1914 and was revised in the years 1921 and 1930. The scale fixed in the year 1930 provides

provides for an annual reserve of Rs.123/- and a contribution of Rs.24/- to the Muzrai establishment fund. The original reserve fixed was only Rs.100/- per annum. Reserve fund at the enhanced rate as per scale fixed in the year 1930 having been demanded from the appellant for the years 1930 and 31, the appellant appealed to the Muzrai - commissioner praying that (1) the reserve may be fixed at Rs.100/- only as per old - scale in view of the fact that from the - year 1930, when the scale was brought into force, the prices of areca and paddy have considerably fallen down, that (2) in-as-much as he has spent Rs.2,196-4-0 for improving the lands after the floods of 1924, the same may be recouped by with-holding the payment of the reserve fund for about 20 years, and that (3) the lease of garden S.No.13 of Meligi village may be granted - to him. The learned Muzrai Commissioner rejected the Appeal so-far as the 1st two prayers were concerned and as regards the 3rd prayer the learned Muzrai Commissioner ordered that the annual lease-amount of the garden be made over to the appellant subject to certain conditions laid down in the Order; hence this Appeal. The grounds of Appeal are as follows:-

1. The scale of expenditure was pre-

prepared in the year 1928, when the prices were high and was put into force only in - the year 1930 when the prices of areca and paddy had considerably fallen down. The - annual income was brought down from Rs.800/- to Rs.500/- from 1928 to 1930. As the accounts of this temple are being maintained by the appellant himself there is no need - for any amount to be paid towards the Muzrai establishment. As a matter of fact, no - such claim was ever made by the Government at any time. The learned Muzrai Commissioner erred in not noticing these facts and his Order in this respect confirming the - Deputy Commissioner's Orders is unjustifiable and wrong.

2. In the year 1924 there were heavy rains and un-precedented floods in Thirthahalli Taluk, in consequence of which the - 'Inam' lands endowed to the above-said temples were inundated with water and became unfit - for cultivation for a period of 3 to 4 years. During these years the appellant has managed the temples out of his personal funds and has spent a sum of Rs.2,196-4-0 to restore the lands to their normal cultivable condition. The accounts in this respect supported by vouchers and documents had been submitted to the Deputy Commissioner through the Amildar of Thirthahalli Taluk; The said expenditure was

incurred

incurred on consultation of the Dharma-darshis and with their approval. No enquiry of any sort has been held, nor even the Dharmadarshis are examined in this behalf anddthe appellant begs respectfully to submit that an open - enquiry was necessary before coming to a conclusion in regard to the actual amount of expenditure incurred by the appellant. There is no 'mahazar' of the villagers as mentioned in the learned Muzrai Commissioner's Orders and the appellant humbly submits that an exparte-report sent by the Revenue Inspector in the Case without examining the appellant, the Dharmadarshis and the villagers is highly prejudicial to this Case.

3. The Order of the learned Muzrai Commissioner is otherwise illegal and inequitable.

The appellant therefore humbly prays that (1) on account of general trade depression ~~of~~ from the year 1930 the year in which the scale of expedniture, prepared two years prior, was put into force, the scale may be revised and the reserve fund may proportionatley be reduced, that,

(2) the contribution ordered in the Case may be waived under the circumstances (3) that the appellant may be ordered to with-hold payment of annual reserve fund at Rs.100/- per annum till the sum of Rs.2,196-4-0 or, anu sumh sum as may be found to have been expended by the

appellant

11

appellant, after proper enquiry, was fully recouped and that such further or other Order as may seem just under circumstances, may be passed.

(4) He also prays that the execution of the Order under Appeal of the Muzrai Commissioner directing appellant to pay certain amounts may be stayed pending disposal of this Appeal and Orders staying collection of the amounts may kindly be communicated to the Amildar of Thirthhalli Taluk.

Petitioner.

M.Y.G. Rama Bhatta of Tirthahalli

Subject.

Praying among other matters, that the payment of reserve fund and contribution to the Muzrai Establishment Fund on behalf of Sri Gopala Krishnaswami and Sri Rameswaraswami temples at Gopalapur agrahar, Tirthahalli Taluk may be waived or at least suspended for 20 years.

Facts of the case

The temples referred to above are Muzrai institutions having been endowed with inam lands in Melige and Nambala villages of the same taluk. The previous facts of the case are given in full in G.O.No. 2024-6, Dated 7th February 1914. Mus:206-12-4

At the request of the Vahivatdar Bhistha Bhatta, the present petitioner M.Y. Rama Bhatta was recognised as Vahivatdar and the management was vested in him The scale

and then again in 1930 on the
the proposals submitted by the Vakil-
vahdar himself. The scale fixed in 1930
provides for an annual reserve of Rs
123/- and a Contribution of Rs 24/- to
the Mussai Establishment Fund.

Reserve Fund at an enhanced
rate of Rs 123/- having been demanded
from the petitioner for the years 1930
and 1931, he appealed to this office
praying

(i) that the reserve may be fixed at
Rs 100/- a year as per old scale

(ii) that Contribution to the Muss-
ai Establishment Fund may be
waived.

(iii) that the scale may be modified
taking the income at Rs 600/- p.a. in-
stead of Rs 300/- as estimated by the
Deputy Commissioner.

(IV) that he may be exempted
from paying the reserve and the Con-
tribution till the sum of Rs 2196-4-0
alleged to have been spent by him for
improving the lands after the floods
of 1924 is recouped.

(V) that the lease of garden
S.No. 13 of Mellige village sanctioned
in favor of Dasana Kodige Subba Bhatta
may be cancelled or the lease deed
ordered to be executed in his favour

The petitioner by his counsel Mr. N. Sreenivasa Rao was heard on 5th December 1933. /4

Order No. D, Dis 190/33-34 Enc one dated 6.3.34

The scale was drawn up by the petitioner himself and the Re-serve and the Contribution to the S Establishment Fund stand at figures proposed by him and accepted by the Dhammadarsis. His request, therefore, for the revision of the scale on the basis of a smaller in-come and for the reduction or S waiving of the reserve and Dus-sai Establishment Fund cannot be complied with.

2 His request to suspend the recovery of Reserve amount for 20 years to enable him to recoup the amount said to have been spent for improving the lands cannot be conceded to as it is clearly made out from the Nakasar of the villagers and the reports of the local officers that the amount said to have been spent by the petitioner is much ex-aggerated and that not more than Rs 100/- has been spent only a portion of the lands being affected during the floods.

3. As the garden land in Kelaya

had been ~~leased~~
leased by the previous Vahi
it was resumed to the
leased to one Subba Bhatta for 30 years
for an annual rental of Rs 300/- The
petitioner's contention that as here-
ditary manager he has absolute right
to lease the endowed lands in any
manner he likes is untenable. The
hereditary managership, if any, ceased
with the orders previously passed
and even otherwise the Manager can-
not arrogate to himself the power to
lease lands permanently in contravention
of the provisions of the Mysore Reli-
gious and Charitable Institutions Regu-
lation.

4. As opined by the Deputy Commis-
sioner the utmost concession that could
be shown to the petitioner is to give him
the benefit of the gutta amount paid by
the Lessee of the Helige garden land. The
annual lease amount will accordingly
be made over to the Vahivatdar during
the period of the lease deducting in full
the reserve and the Contribution due
by him and subject to the condition
that he maintains and furnishes an-
nually a correct account of all the
income and expenditure of the institutions.
